the interstate side. CCS7 is an inherent function of the telephone network in Tennessee and the entire country. CCS7 provides signaling functionality for call routing and completion as well as access to various databases, and it is used in network management. These are new charges for CCS7. Currently there is not a per message charge for CCS7.

4. Decisions made in this docket regarding the establishment of CCS7 charges will have an impact on TeleCorp and their customers.

5. TeleCorp requests that they be allowed to intervene, and seek clarification of the BellSouth CCS7 Tariff and its possible impact on TeleCorp and their customers.

6. TeleCorp has a substantial interest in the outcome of this docket proceeding. Since their interests cannot be adequately represented by any other party in this docket, TeleCorp respectfully requests that they be allowed to intervene in this cause and fully set forth their position and rights before this Authority.

7. TeleCorp Communications and Tritel do not intend to be present at the hearing on July 24, 2001, but reserve the right to participate in any post hearing filings and any other proceedings.

8. The interests of justice and the orderly and prompt conduct of the proceedings will not be impaired by the intervention of TeleCorp.

WHEREFORE, PREMISES CONSIDERED, TeleCorp Communications and Tritel respectfully request that they be allowed to intervene and participate as parties in this cause as their interests may appear and to receive copies of all notices, orders and other documents issued or filed in this docket.
